This story begins amidst a hot summer day, where Slash was on his computer. Suddenly, he begins hearing a mysterious voice in his head, and he slowly feels lethargic. After a while, he passes out. He wakes up, in a blocky world.

“What the fuck...” Slash says, “This is the housing lobby... Did I fall asleep while in VR?”, “No. I can feel everything. It seems that I’m in... Minecraft? This feels... weird.”

Slash begins walking, admiring the beautiful housing lobby, as he punches the ‘Browse Houses’ NPC, a small menu appears in front of him, as he joins a housing.

“Free Build by Cole_Sprouse”

“Oooh... Cole’s free build.”

Slash taps the housing’s icon. He is suddenly teleported into Cole’s free build. Slash looks around and says,

“Yep. This is definitely Cole’s free build, ducks, swastikas, pixel art. But... I’m alive. I’m inside... Minecraft. This feels so weird.”

Slash notices that Cole was beside him,

“Same. I was suddenly put into Minecraft.” Cole says.

Slash jumps in surprise, not noticing that Cole had been beside him the whole time, Slash blushes a bit and then replies with

“Y-you too?”

“Yep,” Cole continues, “If you wanna fly, you have to jump twice, it’ll feel really trippy, and you might fall. Also if you fall down, you’ll feel the impact, and will be crying in pain.”

“T-that doesn’t sound fun...”

“It indeed isn’t. Try flying.”

Slash jumps twice, and begins flying

“Woah. This feels really weird.”

“Yep.” Cole says, as he begins flying.

Slash manages to fly without any issues, and Cole is surprised, he smiles and says,

“Wow. You’re really good at flying.”

Slash blushes intensely after Cole says that.

“Y-y-you really think so...?”

“Yeah,” Cole says, in a warm voice, before continuing, “You’re really cute when you blush, you know that.”

“S-s-shut up... I’m not c-c-cute... or anything.” Slash says, as he blushes even more, he averts his gaze from Cole. Cole laughs, and they continue flying around. Slash takes this time to admire Cole’s blocky figure. Cole still looked absolutely drop dead gorgeous in Minecraft, with her breasts being quite surplus. Slash’s blocky cock instantly becomes erect, as Cole notices it.

“Looks like someone is getting excited” She chuckles.

Slash blushes intensely and looks away.

“You know, we could make a small house in here,” She says, before continuing, “with a double bed”, Cole said in a seductive voice, Cole winks at Slash, and Slash understands what she means.

“T-t-t-that would be... b-brilliant.”

Cole laughs, and begins flying down, Slash follows her, as they build a small dirt house, with two beds.

“Well, it’s time to get the party started.” Cole blushes a bit, showing that she’s inexperienced with this.

“I-it’s going to be my first time...” Slash says.

Cole replies with, “Me too...” Cole begins stripping down, showing her surplus breasts. Slash also begins stripping down, and he reveals his twelve inch length, in all of its glory.

“C-c-can I touch it?” Cole says.

“S-s-sure...” Slash replies, extremely flustered. Cole begins stroking Slash’s dick. Slash quickly ejaculates, as the cum shoots up to the ceiling of the dirt house, and begins dripping onto Cole’s face. Cole licks all of the white goodness, and says “Mmm, delicious. Your milk is amazing...”

“C-c-cole... could I try your milk?”

Cole laughs, and says, “You wanna try mommy’s milk?”

“Y-yes. I want mommy’s milk.”

Cole motions Slash to put his head on her lap. Slash does what Cole motions him to do, as Cole puts one of her breasts into Slash’s mouth.

“P-please be gentle...” Cole says.

Slash ignores her request, and violently licks her nipple, enjoying the breast milk. Cole begins moaning and says

“A-a-ah. P-please be more gentle...” Cole begins touching herself. After a few minutes, Slash finally stops sucking on Cole’s breasts. Cole smiles, and says, “Wanna try putting it in?”

“Hell yeah.” Slash responds, his flustered attitude gone, he was full of desire. Slash slowly puts his twelve inch penis into Cole’s small body.

“It’s a t-tight fit...” She says, as she moans, “Aah... Slash... g-g-go harder.”

Slash fucks her extremely rough, even in his blocky form, he found this extremely stimulating.

“S-s-slash... Please stop. I feel like I’m about to faint.” Cole says, in an urgent voice. She seemed to be slowly losing consciousness, but Slash ignored her cries for help. He continued to fuck her, and eventually ejaculated, but he kept going after that. Cole eventually faints, as Slash continues fucking her. Slash starts laughing maniacally

“Haha, she’s all unconscious.”

Slash begins squeezing her breasts, and fucking her extremely rough, eventually, her heart stops beating, as Slash smiles. Slash keeps on fucking her. But then... light started appearing from above. Slash notices that someone griefed their dirt hut, and everyone playing Minecraft, could now see them fucking. Slash instantly removes his twelve inch penis from Cole, and runs, his erect penis flopping around, as he gets cornered, and put into a jail. His build permissions get revoked, as he’s tied to a cross, just like Jesus Christ, except he has to get fucked by men every day. But, **Slash enjoys it** . Slash spends the rest of his days, being brutally fucked by men, and Cole’s free build, began being known as the “Sex Housing”.
